Legacy

Most Jewish teenagers celebrate the Jewish coming-of-age ceremony in which they become a Bar or Bat Mitzvah surrounded by the support of their family and friends. But for the LEGACY children, who have suffered the loss of family members who died while serving their country as IDF soldiers, this celebration is a bittersweet occasion, marked with the painful reminder of a constant void.

This July, Friends of the IDF Central Region will send forty Bar/Bat-Mitzvah age Israeli children of fallen IDF soldiers to JCC Camp Chi. For twelve days they will enjoy a unique Jewish summer camp experience far away from the daily grief of war and loss through our LEGACY Program.

**Please join us to welcome
them to Chicago before they
leave for camp and
then again after they
return to say goodbye!**
