

Director of Development Long Island

Friends of the Israel Defense Forces (FIDF) was established in 1981 by a group of Holocaust survivors to provide for the wellbeing of the men and women who serve in the Israel Defense Forces. The organization is committed to providing the men and women who serve in the Israel Defense Forces as well as the families of fallen soldiers with love, support and care through educational, social, cultural and recreational programs and facilities in an effort to ease the burden they carry on behalf of the Israeli and the Jewish communities worldwide. FIDF is a 501c3 not-for-profit corporation headquartered in New York City regional offices, around the country.

The Director of Development is responsible for managing a significant portfolio of donors, which includes individual, corporate, and foundation prospects. He/she will identify, research, and form a strategic solicitation plan and will maintain a personal relationship with donors in order to maximize their charitable and volunteer involvement. In addition, the director will provide leadership in the area of staff collaboration as well as strategic planning with respect to donors. This position reports to the Tri State Executive Director.
